

OBSERVING TOUCH

QUESTION

What touches my Hand while I exist?

METHOD

Glue Gloves

BEFORE

AFTER

OBSERVATIONS:

1. FINGERS STICKING TOGETHER
→ IT IS GOOD OUR FINGERS
DON'T CONNECT
2. IT IS GOOD THAT IT WAS
ONLY ONE HAND
↳ WHEN ONE THING (PENCIL...) STICKS TO THE HAND I
COULD TAKE IT AWAY WITH
THE OTHER
3. WHAT TOUCHES MY HAND
IS USUALLY TOUCHED BY ME
→ I AM ACTIVE NOT PASSIVE
4. WHEN I TOUCH IT IS MY PALM
5. WHEN I AM TOUCHED IT IS ON
TOP OF MY HAND

6. THE THINGS I OWN ARE
COVERED IN DIRT
7. MY HAND IS GETTING
SWEATY
8. DIRT IS EVERYWHERE
9. NOT EVERYTHING I TOUCH
IS VISIBLE TO MY EYE
10. I SHOULD WASH MY HANDS
MORE
11. I DON'T KNOW WHAT I TOUCH
