Crafting the story of Minnette De Silva

Inside > 24 cards : 6 input cards | 6 element cards |  
6 actor cards | 6 friction cards | Playbook | Age 16+ | 2+ players

Craft is central for South Asian Architect Minnette de Silva's experiments on rethinking questions of identity through architecture in post-independent Sri Lanka.

Craftibly Minnette Game is all about bringing people together by encouraging friends and family to assemble cards in order to reveal stories of Minnette de Silva's life and experience through craft and discuss the big and small issues that arose in her path.
